

Evolving management of depression: exploring the links between trauma and emotional blunting

Industry Satellite Symposium on the occasion of the 34th ECNP Congress Hybrid with educational financial support provided by H. Lundbeck A/S

Agenda

Roger McIntyre, Canada

Implications of trauma for patients with depression

Andrea Fagiolini, Italy

Emotional blunting impacts on full functional recovery in MDD

Susana Sousa Almeida, Portugal

Emotional blunting and trauma in MDD: practical recommendations

Q&A

Join us for a CME-accredited Industry Satellite Symposium with our expert panel of speakers **Roger McIntyre**, **Andrea Fagiolini** and **Susana Sousa Almeida**, who will discuss hot topics in the effective treatment of major depressive disorder. This Industry Satellite Symposium will focus on the prevalence and impact of emotional blunting in patients with depression and will also consider the topic of trauma. Latest evidence on how antidepressant treatment may address these aspects will be discussed.

**ECNP Congress Hybrid 2021, Saturday 2 October 2021, 14:00–15:30 WEST
Auditorium 1, Centro de Congressos de Lisboa, Lisbon, Portugal and online**
